Biography and Credentials of Speakers

Randy Guliuzza BS Engineering, BA in Theology, MS Health, MD Medicine

Dr. Randy Guliuzza has a B.S. in Engineering from the South Dakota School of Mines and Technology, a B.A. in theology from Moody Bible Institute, an M.D. from the University of Minnesota, and a Masters in Public Health from Harvard University. Dr. Guliuzza served nine years in the Navy Civil Engineer Corps and is a registered Professional Engineer. In 2008, he retired as Lt. Col. from the U.S. Air Force, where he served as Flight Surgeon and Chief of Aerospace Medicine. He is the author of *Made in His Image: Examining the complexities of the human body*; and *Clearly Seen: Constructing Solid Arguments for Design*.

Michael Oard MS Atmospheric Science

After two years in the U.S. Navy, **Michael Oard** earned his B.S. and M.S. degrees in atmospheric science from the University of Washington. He was a research meteorologist for six years at the University of Washington and has published several research articles in journals and technical monographs of the American Meteorological Society. Mr. Oard later joined the National Weather Service as a weather forecaster. He retired in 2001 after 30 years of service and does full time research, writing, and speaking in creationist earth science.

After becoming a creationist in the mid-1970s, Michael realized there was a lot of research needed in the earth sciences. To fill this gap, he has since spent almost 40 years studying geology, geophysics, glaciology, and paleoclimatology. Mr. Oard has published about 200 articles in the creationist in-depth

literature, especially the *Journal of Creation* and the *Creation Research Society Quarterly*. He has also authored, coauthored, or been editor of seventeen creationist books on the Flood, the Ice Age, weather, dinosaurs, and geology. He is on the board of the Creation Research Society and is an adjunct speaker for Creation Ministries International.

Michael is married to Beverly, and they have four grown children with ten grandchildren. Michael and Beverly live in Bozeman, Montana, USA.

Kevin Horton

BA Biology, DVM, MDiv

Dr. Kevin Horton, Executive Director, Institute for Biblical Authority

Dr. Horton holds a B. A. in biology from Dickinson State College (University) in Dickinson, North Dakota.

He earned a doctorate in veterinary medicine from Iowa State University in Ames, Iowa and a masters of divinity from Moody Theological Seminary in Chicago, Illinois.

Dr. Horton practiced veterinary medicine on both large and small animals in the Bitterroot Valley of Montana for 20 years. During the last five years of veterinary practice he answered God's call to church leadership and established two churches in the Valley. He has been serving Crossroads Christian Fellowship of Victor, MT as senior pastor for 20 years. He will begin full-time as director of IBA in the spring of 2018.
