Biographies of Speakers

David Barton -

David Barton heads WallBuilders, a national pro-family organization that presents America’s forgotten history and heroes, with an emphasis on our moral, religious, and constitutional heritage. David is the author of numerous best-selling books, with the subjects being drawn largely from his massive library-museum of tens of thousands of original writings, documents, and artifacts from early America. He also addresses well over 400 groups each year.

His exhaustive research has rendered him an expert in historical and constitutional issues. He serves as a consultant to state and federal legislators, has participated in several cases at the Supreme Court, has been involved in the development of social studies standards for numerous states, and has helped produce some popular history textbooks now used in schools across the nation.

A national news organization has described him as “America’s historian,” and Time Magazine called him “a hero to millions – including some powerful politicians.” In fact, Newsmax named him as one of America’s top 100 most influential evangelicals, and Time Magazine named him as one of America’s 25.

David has received numerous national and international awards, including Who’s Who in Education, DAR’s Medal of Honor, and the George Washington Honor Medal from the Freedoms Foundation at Valley Forge. His work in media has merited several Angel Awards, Telly Awards, and the Dove Foundation Seal of Approval.

David and his wife Cheryl reside in Aledo, Texas, and they have three grown children, Damaris, Timothy, and Stephen.

Dr. Kevin Horton - Dr. Kevin Horton, Director

Dr. Horton holds a B. A. in biology from Dickinson State College (University) in Dickinson, North

Dakota. He earned a doctorate in veterinary medicine from Iowa State University in Ames, Iowa and a Master of Divinity from Moody Theological Seminary in Chicago, Illinois.

Dr. Horton practiced veterinary medicine on both large and small animals in the Bitterroot Valley of Montana for 20 years. During the last five years of veterinary practice he answered God's call to church leadership and established two churches in the Valley. He served Crossroads Christian Fellowship of Victor, MT as senior pastor for 20 years. He began as full-time as director of IBA in the spring of 2018.

Dr. Horton has a passion to see God's Word correctly understood. He is convinced that as people begin to grasp the intended meaning of scripture, they gain a solid foundation to navigate this difficult life. He sees how atheistic philosophy has been ruthlessly forced upon much of modern scientific interpretation leading to a façade that science rules over the Bible. In stark contrast, Dr. Horton desires to show how the vast majority of the scientific data strongly supports a solid biblical worldview with no need to compromise on biblical interpretation.

The Institute for Biblical Authority is a biblically based nonprofit organization dedicated to upholding and strengthening the principle that the Bible is the life-changing authority for human lives. As science is progressing, it is demonstrating overwhelming evidence for a Creator. We seek platforms to share this truth to both believers in Christ and those who remain skeptical. Our Mission is to engage the world with the truth found in God's Word, which is the foundation of everything.

WallBuilders is an organization dedicated to presenting America's forgotten history and heroes, with an emphasis on the moral, religious, and constitutional foundation on which America was built – a foundation which, in recent years, has been seriously attacked and undermined. In accord with what was so accurately stated by George Washington, we believe that “the propitious [favorable] smiles of heaven can never be expected on a nation which disregards the eternal rules of order and right which heaven itself has ordained.”
